Trademarks

Our proprietary information

The material, content, and Services accessible from this Site, including, but not limited to, the API (if any), and any other website owned, operated, licensed, or otherwise controlled by us (the “Content”) is our proprietary information or the proprietary information of the party that provided or licensed the Content to us, whereby we or such providing party retain(s) all right, title, and interest in the Content. If we offer an API, our rights apply to that API as well as all

output and executables of the API, excluding any software components developed by you which do not themselves incorporate the API. Accordingly, the Content may not be copied, decompiled, reverse engineered, disassembled, transferred, distributed, republished, resold, sublicensed, uploaded, posted, used to create derivative works, or transmitted in any way without our prior written consent or the prior written consent of the Content owner, except that you may print out a copy of the Content solely for your personal use. In doing so, you may not remove or alter, or cause to be removed or altered, any copyright, trademark, trade name, service mark, or any other proprietary notice or legend appearing on any of the Content. Modification or use of the Content except as expressly provided in these Terms of Service violates our intellectual property rights. Neither title nor intellectual property rights are transferred to you by access to this Site. Notwithstanding this provision, users of our Services and the Site are not permitted to use the Content as a component of, or basis for, a database prepared for use by the said user or any third party. Furthermore, all copies of Content, whether in print or electronic form, must incorporate all of our (or our third-party's) copyright and/or other intellectual property rights notices.

Your proprietary information

We agree that we have no rights to the data, documents, information or material that you submit in the course of using the Site and Services ("Submitted Content"). When submitting data, you, and not us, shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness, and intellectual property ownership or right to use of all Submitted Content. We shall not be responsible or liable for the deletion, correction, destruction, damage, loss, or failure to store any Submitted Content. By using the Services, each user represents and warrants to us that it has the legal right to submit the Submitted Content. You agree to indemnify, defend and hold us harmless from any liability caused by your submission of Submitted Content in violation of a third party's copyright or other rights of ownership. We reserve the right to withhold, remove and/or discard Submitted Content without notice for any breach, including without limitation, non-payment of fees. In addition, we reserve the right to withhold, remove and/or discard any Submitted Content submitted to us, which, in our sole opinion, is pornographic or otherwise in violation of our internal policies for publishable material. **WE MAKE NO REPRESENTATION OR WARRANTY THAT ANY DATA SUBMITTED TO US WILL BE RETAINED FOR ANY PARTICULAR PERIOD OF TIME, AND YOU AGREE TO MAINTAIN ON YOUR SERVERS DUPLICATE COPIES OF ALL SUBMITTED CONTENT.**

User contributions

You agree not to post or store on the Site any software, information, data, databases, music, audio, video or audiovisual files, photographs, images, documents, text, digital files or other material ("Material") that violates or infringes anyone's intellectual-property rights (including copyrights, trademarks, trade secrets, patents, publicity rights or (to the extent protectable) confidential ideas) or that violates Dutch (The Netherlands) and local law or that is obscene, obscene as to minors, child pornography, defamatory, racist, lewd, lascivious, filthy, excessively violent, harassing, or otherwise objectionable.

By posting Material to this Site, you grant us a perpetual, irrevocable, non-exclusive, royalty-free worldwide license to reproduce, adapt, distribute, perform (either publicly or by digital audio transmission) or publicly display all or any portion of the Material on the Site (though we will obtain your permission before doing so with any Material that is not publically available on our Site). You further represent and warrant that you own all rights, titles, and interests to such Material in full and without restrictions.

You expressly agree that we may remove, disable, or restrict access to or the availability of any Material from the Site (including, but not limited to, Material that you have posted or stored) that we believe, in good faith and in our sole discretion, to violate the Terms of Service (whether or not we are actually correct in our assessment) or that is the subject of a notification duly sent to us pursuant to the Digital Millennium Copyright Act. If you believe that we have acted mistakenly with respect to certain material, you may contact us using one of the contact methods provided at the end of these Terms of Service, in which case we may investigate the matter further, though we retain full right and sole discretion as to whether or not to remove the material. Under no circumstances may we be held liable for removing, disabling, or restricting access to or the availability of Material. The provisions of this section are intended to implement these Terms of Service and are not intended to impose a contractual obligation on us to undertake or refrain from undertaking any particular course of conduct.

Digital Millennium Copyright Act

Compliance

We respect the intellectual property rights of others and expect users of the Site to do the same. In our sole and absolute discretion, we may terminate the accounts of users who infringe the intellectual property rights of others. You may contact our agent as indicated below if you believe that a work protected by a copyright that you own has been posted or stored on the Site without authorization. To file a copyright infringement notification with us, you will need to send a written communication that includes substantially the following (please consult your legal counsel or see Section 512(c)(3) of the Digital Millennium Copyright Act to confirm these requirements):

1. A physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive intellectual property right that is allegedly infringed;
2. Identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works at a single online site are covered by a single notification, a representative list of such works at that site;
3. Identification of the material that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit the service provider to locate the material. Providing URLs in the body of your notification is the best way to help us locate content quickly;
4. Information reasonably sufficient to permit us to contact the complaining party, such as an address, telephone number, and, if available, an electronic mail address at which the complaining party may be contacted;
5. A statement that the complaining party has a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and
6. A statement that the information in the notification is accurate, and under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Please note that the information provided in your legal notice may be forwarded to the person who provided the allegedly infringing content.

Under Section 512(f) any person who knowingly materially misrepresents that material or activity is infringing may be subject to liability for damages, so please do not make false claims.

You may contact our agent:

After submitting a copyright infringement notification, copyright owners may realize that they misidentified content or that they may otherwise change their mind. As a result, we will honor retractions of copyright claims from the party who originally submitted them. To retract a notification, please send a statement of retraction, the complete and specific URL of the content in question, and an electronic signature to the email address we provide at the end of these Terms of Service.

Please note that under Section 512(f) of the Copyright Act, any person who knowingly materially misrepresents that material or activity was removed or disabled by mistake or misidentification may be subject to liability.

It is our policy to terminate, in appropriate circumstances, the access rights of repeat infringers.

API

Our application programming interface ("API") is a Service that allows licensees and pre-approved licensees to access and display certain Content and/or Services. Your license to the APIs under these Terms of Service shall continue until it is terminated by either you or us. You may terminate the license by discontinuing use of all or any of the APIs. We may change, suspend, terminate, or discontinue any aspect of the APIs at any time, including the availability of any APIs. We may also impose limits on certain features and services or restrict your access to parts or all of the APIs or our Site without notice or liability. We shall not be

liable to you or any third party should we exercise our right to modify or discontinue the Service or any part of it.

Grant of API license

Upon issuance of an API key, you are granted a limited, non-sublicensable right to access the API and use the Services and Content for your personal use only and in a manner consistent with the Services. We reserve the right, without notice and in our sole discretion, to terminate your license to use the API and to block or prevent future access to and use of the API.

API license use and restrictions

This license is subject to the following restrictions:

- You may not use the APIs in any manner or for any purpose that violates any law or regulation, any right of any person, including but not limited to intellectual property rights, rights of privacy, or rights of personality, or in any manner inconsistent with our Privacy Policy, if applicable, or these Terms of Service;
- You may not use the APIs for any application that constitutes, promotes, or is used in connection with spyware, adware, or other malicious programs or code;
- You may not use APIs in a manner that adversely impacts the stability of our servers or adversely impacts the behavior of other applications using the APIs;
- All calls to the API must reference the API key issued to you as an approved licensee;
- You agree to keep the API key confidential, and not to share it with any third party. This license is personal to you, and any affiliates must seek and obtain their own license and API Key. You may not sell, lease, share, transfer, or sublicense the APIs, access, or access codes thereto or derive income from the use or provision of the APIs, whether for direct commercial or monetary gain or otherwise, without our prior, express, written permission;
- You agree that you will provide the Services and Content to users on "as is" terms, with disclaimers substantially equivalent to those set forth in these Terms of Service;
- You may not use the APIs in a product or service that replicates or attempts to replace the essential user experience of our Site or Services or is substantially similar to or directly competes with products or services offered by us;

- You may not cache or retain any copies of the Content. Your license to the Content is limited to making direct server calls to us for the Content and to distributing the Content to your end user on your site(s), immediately upon receipt by your servers;
- You may not present the Content (or permit the Content to be presented) so that it appears to be available from a third-party site;
- You may not separately extract and provide or otherwise use data elements from the Content to enhance the data files of third parties;
- You further agree not to otherwise reproduce, modify, distribute, decompile, disassemble or reverse engineer any portion of the API or any data provided by us;
- You may not delete, obscure, or in any manner alter any warning, notice (including but not limited to any copyright or other proprietary rights notice by us or our third-party partners and sponsors), or link that appears in the Service or the Content;
- You must not attempt to cloak or conceal your identity or your application's identity when requesting authorization to use APIs;
- You are limited to a pre-set number of calls to the API per day, determined by the Service you purchased. We may approve higher daily call limits if you adhere to these API terms and upgrade your Service; and
- You acknowledge that the Services, including, but not limited to, the API, may incorporate third-party services and content and that your use and display of such third-party services and content may be subject to separate terms of service policies. These third-party policies can be found at the applicable third-party sites.

Attribution for the API

Content provided to you through the API may contain the trade names, trademarks, service marks, logos, domain names, and other distinctive brand features of ours, our partners, or other third-party rights holders of content displayed by us. You may not delete or, in any manner, alter these trade names, trademarks, service marks, logos, domain names, and other distinctive brand features. Unauthorized use of our logo, marks, or brands is strictly prohibited. You shall place the following notice prominently on your application: "This product uses the Open Social ® API but is not endorsed or certified by Open Social ®." Your use of our logo or any of any of our marks or brands is subject to these terms, the terms found elsewhere on our Site, or prior written approval by us. Any use of our logo in your application shall be less prominent than the logo or mark that primarily describes the application. Your use of our logo shall not imply any partnership or endorsement by us.

Termination

We reserve the right to terminate these Terms of Service with immediate effect at any time and for any reason. Expiration or termination (for any reason) of these Terms of Service, shall not affect any accrued rights or liabilities which either party may then have nor shall it affect any clause which is expressly or by implication intended to continue in force after expiration or termination.

Only a specific, written waiver signed by our authorized representative shall have any legal effect.

Severability

If any clause or provision set forth in this Terms of Service statement is determined to be illegal, invalid or unenforceable under present or future law, the clause or provision shall be
